

True Multifunctionality & High Impact Colour

The buzzword in today's business reality is multitasking: it goes for employees as well as equipment. With Ricoh's Aficio™MP C1500 you are set to power up your entire office workflow and meet any challenge! High quality printing, copying, scanning and faxing: this all-in-one office partner handles it all and more... Add fast and affordable colour to the package and the road to business success lies right open!

- Stunning colour output thanks to innovative technology
- Top performance: 15 ppm B/W – 6 ppm colour
- Duplex copying, scanning and printing
- All-in-one: print, copy, scan and fax from one device
- Exceptional media versatility
- Guaranteed security and excellent networking

Revolutionise the Way You Handle Your Office Tasks

Being able to take care of all your document processing is simply not enough in your fast paced office. You need more to meet those deadlines and convey a professional business image. With the Aficio™MP C1500 Ricoh offers you that 'more'! Incorporating a variety of technological innovations, this revolutionary device takes you way beyond traditional office document processing!

Unique Technology for Impeccable Colour

- **Liquid Gel™**
 - ultra quick drying, water resistant and sunlight resistant prints
 - long lasting high quality images
- **Wide Print Head**
 - fast printing
 - clear and solid images at all times
- **Belt Transfer System**
 - consistent high quality across the whole print area
 - optimum duplex printing

The Top Multifunctional Performer

Think of the space, costs and time you save when you can rely on one compact device to tackle your office tasks in the most efficient way.

The Aficio™MP C1500 prints, copies, scans and even faxes: an entire wealth of functionalities united in one exceptional office partner.

With speeds of up to 15 ppm in black and white and 6 in colour, your output – simplex or duplex – is ready before you know it. A short warm up time and fast first output speed further reduces waiting time. And with a maximum 1,351-sheet paper capacity, you can continue working without refill interruptions!

Exceptional Networking

- easy integration into virtually any network environment
- the ultimate in convenient cable free printing with the optional wireless LAN or Bluetooth interface

Secure Access & Information

Protect your business against possible security threats without compromising on productivity:

- advanced access limitation: Windows® authentication & user authentication
- prevention of industrial spying & information leaks: Data Overwrite Security Unit
- watermark protection to rule out unauthorised copying

DYE INK (traditional technologies)

Upon contact with the paper, ink permeates into the fibers and bleeds, blurring the image.

PIGMENT INK (traditional technologies)

Due to its characteristics, ink takes time to dry and fix to the paper.

Unique colour technology: Liquid Gel™

The Liquid Gel™ instantly gelatinises and dries as soon as it comes into contact with the paper. Thanks to the unique colour technology, blurred images and bleeding can be minimised.

Handling Your Every Document Processing Need

The Aficio™MP C1500 incorporates great overall capabilities to guarantee an efficient workflow. Offering excellent output quality, user friendly operation, advanced printing functionalities and the added value of colour, this device will efficiently take care of all your office tasks.

Designed for Easy Operation

Versatility in a comfortable package, that's what the Aficio™MP C1500 is all about:

- ergonomic tilt display improving general usability and accessibility
- innovative design allowing full front accessibility
- simple and fast consumable replacement
- easy handling paper trays for quick paper refills

The Power of Colour

Colour sells. It's as simple as that. While most of your documents are acceptable in black and white, a touch of colour truly increases their impact and competitive edge.

With the Aficio™MP C1500's innovative colour technology, you can now produce high quality colour presentations, mailings, newsletters and flyers in house!

Exceptional Media Handling

Create your own reports, handouts and newsletters and take advantage of the Aficio™MP C1500's support for a variety of paper formats from A6 to A3. You can even print on card stock and thick paper up to 220 g/m² to create report covers and flyers. In the meantime, you can cut costs and reduce paper waste thanks to the handy duplex functionality. No need for expensive outsourced company stationary; you can now easily produce your own!

Customised Software Solutions

Using Embedded Software Architecture™, an innovative Java™ (J2ME™) compatible software platform, you can design customised key applications to facilitate your entire document workflow. For more info, please visit www.ricoh-developer.com.

Advanced Business Faxing

- save time and improve image quality by sending fax messages directly from your PC
- forward faxes via e-mail and reduce the distribution of printed faxes
- save costs by sending long distance faxes over the Internet

Efficient Distribution

- send documents in colour and black & white to any e-mail address in the world (scan to e-mail)
- quickly find any address in your company's address book with LDAP search
- send scanned documents directly to a dedicated network folder (scan to folder for Windows®/scan to NCP for NetWare®)
- conveniently share heavy documents with remote offices via scan to FTP

State-of-the-art Printing

- limit network traffic and save valuable time with PDF Direct Print
- print high quality images with the genuine Adobe® PostScript® 3™ option
- secure confidential prints and eliminate paper waste: hold print jobs and their settings to release them at a convenient time

The Aficio™MMP C1500 can hold print jobs you send during the day together with their settings. You simply release them on the device at a convenient time. As a 'virtual mailbox', this function prevents mixed-up output and keeps your prints confidential.

With the Environment in Mind

Like all Ricoh products, the Aficio™MMP C1500 reflects Ricoh's commitment to the environment with the usage of toxic free materials*, limited noise emission and low energy production. With its ultra-low power consumption of maximum 250 W and optional duplexing, this multifunctional all-rounder takes eco care even further.

* In compliance with EU RoHS directive (RoHS: Restriction of Hazardous Substances, effective from July 2006)
